Factory-Original Ford Capri Mk II & Mk III- James Taylor 2019-01-29 Inspired by the success of the Ford Mustang "pony car" in the USA, Ford UK launched "The Car You Always Promised Yourself" in 1969 and it was an instant hit, with its long bonnet, sleek 2+2 coupé body, and low stance. For 1974, Ford launched the Capri II, with a new smooth body style, engines ranging from 1300 to 3000cc, and a plush Ghia version of the 3-litre model. In 1978 came the Capri Mk3 with yet more refinement and a four-headlamp nose. These classic Fords now have an almost fanatical following, supported by some very active owner's clubs. Good examples are eagerly sought, and with prices rising restoration has become a very viable proposition. An astonishing number of variants of the Capri Mk2 and Mk3 were offered, so they really need to be identified. **Factory-Original Ford Capri Mk II & Mk III**, companion to our 2017 title **Factory-Original Ford Capri Mk I**, does the job, taking the reader right through the production period and pinning down the correct factory specifications,

equipment and finishes across the range. This information is backed up by 300 specially commissioned colour photographs of outstanding examples of the cars.

Boss Mustang-Donald Farr 2019-04-23 The Ford Boss Mustang is the most iconic pony car ever created, and this book covers it more extensively than any other. Boss Mustang: 50 Years—a fully expanded version of Mustang Boss 302—includes the complete history of its creation; racing and street histories of both the 302 and 429 models; and photos and interviews with Boss Mustang designers, engineers, racers, and more. Of all the legendary names in the history of the Ford Mustang, one stands apart: Boss. Originally created to homologate the new Boss 302 engine and option package for SCCA Trans-Am racing, the Mustang Boss 302 debuted for the 1969 model year and was built in limited numbers for the street through 1970. This book features never-before-seen production and racing photography, interviews with designers and engineers, and keen insight from author Donald Farr, a renowned Ford historian and Ford hall-of-fame inductee. Designed by the legendary Larry Shinoda, the Boss cars were easily distinguished from their less potent stablemates by their race-bred powerplant, standard front spoiler, and bold graphics. In 2012, Ford at long last revived this most revered of all Mustang models. With a new racing counterpart and a modern street version that delivers more than 440 horsepower, the Boss was truly back! In 2013, Ford rolled out the Boss one more time. In Boss Mustang: 50 Years, Mustang historian Donald Farr offers a complete history of the car—from its late 1960s origins in Ford's boardrooms through its Trans-Am successes and untimely demise in 1970, up to the conception and development of the spectacular, limited-edition 2012 and 2013 Boss Mustangs. Packed with brilliant photography and firsthand accounts from the people who created the original Boss, as well as the team that resurrected Ford's most iconic Mustang for the 21st century, this is the story every Mustang enthusiast has been waiting to read.

The Real Jesus-Bob Highlands 2014-10-19 The writer of Hebrews knew the Real Jesus. He wanted to make sure the reader know the facts about Jesus. He said: Jesus is the Son of God: The Jewish reader would need to know this first and be willing to accept this or none of the others would make sense. Jesus is how God created the universe: It is as if the write has read John 1.1 and 1 John 1.1 where the apostle speaks of all creation happening through Jesus. Jesus is the very character of God: If you want to know God the father all you really need to know is His son Jesus. Jesus sustains everything by his mighty power: Not only is he the creator, he is also the one who keeps everything running. God did not create and then step back. He is actively involved in what is happening. Jesus is the one who cleanses sins: After stating his relationship with God the writer wants all who read his book to know Jesus is the answer to humanity's sin problem. Jesus is now setting at God's right hand: He is the resurrected Lord who has the position and power to back up and enforce all that has been promised, both positive and negative. The Real Jesus is the resurrected Lord. He is the one we serve and the one who directs our lives. This is the Real Jesus these studies work to introduce you to. Bob Highlands III

The Ford Capri Story-Giles Chapman
2012-09-01 The Story series takes on the development of the Capri Before the Ford Capri arrived in 1969, GT cars had tended to be expensive, temperamental, impractical, and rarefied. Ford decided there was no reason why a four-seater coupe couldn't look stunning and go like a rocket (with the right engine), yet be as easy and cheap to run as a Ford Escort. Little wonder that the slogan they used in 1969 to launch it, "The car you always promised yourself," made an immediate impact. The Capri was a hit from day one, and continued to be a favorite until 1986, at which time it had been somewhat overshadowed by the emergence of the Hot Hatchback. Over its lifetime, the Capri

was available in a vast array of guises over three distinct "Marks," but all of them had at their heart affordable fun and a surprising degree of everyday practicality. Nothing has ever quite replaced it, but it lives on in the fond imagination of everyone who loved it.
