Spreadsheet Modeling and Decision Analysis-Cliff T. Ragsdale 2001

Apples of North America-Tom Burford 2013-09-24 American Horticulture Society Award Winner The apple is one of the most iconic fruits, traditionally picked on cool fall days and used in pies, crisps, and ciders. And there is a vast world of varieties that goes beyond the common grocery store offerings of Red Delicious and Granny Smith. With names like American Beauty, Carter's Blue, and Fallawater, and flavors ranging from sweet to tart, this treasure trove of unique apples is ripe for discovery. There is no better guide through this tasty world than Tom Burford, whose family has grown apples in the Blue Ridge Mountains since 1715. The book is brimming with beautiful portraits of heirloom and modern apples of merit, each accompanied by distinguishing characteristics and common uses. As the view broadens to the orchard, you will find information on planting, pruning, grafting, and more. The exploration of the apple culminates with an overview of the fruit's transformative capabilities when pressed, fermented, cooked, or dried. Beyond the polished and predictable grocery store display of Red Delicious and Granny Smith apples, a feast of beautiful and uniquely flavored North American varieties awaits the curious.

Horse Stable and Riding Arena Design-Eileen Fabian Wheeler 2008-02-28 Whether you are a veterinarian consulting on how to maintain the integrity of the grain and water in the horse's newly-built stall; or the agricultural engineer who has been asked to design a new state-of-the-art equine shelter; or an animal scientist or horse owner who simply wants the latest, safest, and most up-to-date information on manure management - this book will fulfill your needs! This handy, user-friendly guide answers some of the toughest questions about equine shelters. Covering everything from preferred building materials such as lighting to flooring in the horse's primary shelter to design and management of a riding arena, this practical reference will guide the reader every step of the way. This practical reference is filled with clear, user-friendly design illustrations and information on ventilation, manure management, fence planning, fire safety, feed storage, bedding requirements, dust control systems, and a myriad of detailed information designed for the comfort, safety, and health of your horse in areas where cold weather is a factor.

History of Cooperative Soybean Processing in the United States (1923-2008)-William Shurtleff 2008-03

Fruits and Berries for the Home Garden-Lewis Hill 1992 A guide to growing fruits and berries in all parts of the country includes advice on which varieties to plant, how to plant, care for, and harvest them, and how to store and use them

Scroll Saw Handbook-Orion Publishing Group, Limited 1987-02

Honey in the Comb-Eugene E. Killion 1981

Revegetation with Native Species-Society for Ecological Restoration. Conference 1999 Objectives for the revegetation of rangelands with indigenous native species include restoration of natural ecosystems, native plant communities, biodiversity, gene flow, and sustainability. Provides an overview of rangeland revegetation lessons as they apply to ecological restoration today; reviews National Park Service, USDA Natural Resources Conservation Service and Forest Service restoration strategies and

perspectives; presents biological factors for using native plant species; and discusses the challenges of native seed collection, production, and marketing.

The Backyard Homestead-Carleen Madigan 2009-01-01 Suggests organic methods for growing plants and raising animals on a small plot of land, explains how to determine the proper times for planting, and provides tips for using and preserving food.

Cattle Behaviour-C. J. C. Phillips 1993

Paul Among the People-Sarah Ruden 2010-02-16 It is a common—and fundamental—misconception that Paul told people how to live. Apart from forbidding certain abusive practices, he never gives any precise instructions for living. It would have violated his two main social principles: human freedom and dignity, and the need for people to love one another. Paul was a Hellenistic Jew, originally named Saul, from the tribe of Benjamin, who made a living from tent making or leatherworking. He called himself the “Apostle to the Gentiles” and was the most important of the early Christian evangelists. Paul is not easy to understand. The Greeks and Romans themselves probably misunderstood him or skimmed the surface of his arguments when he used terms such as “law” (referring to the complex system of Jewish religious law in which he himself was trained). But they did share a language—Greek—and a cosmopolitan urban culture, that of the Roman Empire. Paul considered evangelizing the Greeks and Romans to be his special mission. “For you were called to freedom, brothers and sisters; only do not use your freedom as an opportunity for self-indulgence, but through love become slaves to one another. For the whole law is summed up in a single commandment, ‘You shall love your neighbor as yourself.’” The idea of love as the only rule was current among Jewish thinkers of his time, but the idea of freedom being available to anyone was revolutionary. Paul, regarded by Christians as the greatest interpreter of Jesus’ mission, was the first person to explain how Christ’s life and death fit into the larger scheme of salvation, from the creation of Adam to the end of time. Preaching spiritual equality and God’s infinite love, he crusaded for the Jewish Messiah to be accepted as the friend and deliverer of all humankind. In *Paul Among the People*, Sarah Ruden explores the meanings of his words and shows how they might have affected readers in his own time and culture. She describes as well how his writings represented the new church as an alternative to old ways of thinking, feeling, and living. Ruden translates passages from ancient Greek and Roman literature, from Aristophanes to Seneca, setting them beside famous and controversial passages of Paul and their key modern interpretations. She writes about Augustine; about George Bernard Shaw’s misguided notion of Paul as “the eternal enemy of Women”; and about the misuse of Paul in the English Puritan Richard Baxter’s strictures against “flesh-pleasing.” Ruden makes clear that Paul’s ethics, in contrast to later distortions, were humane, open, and responsible. *Paul Among the People* is a remarkable work of scholarship, synthesis, and understanding; a revelation of the founder of Christianity.

Bread and Roses, Too-Katherine Paterson 2008-08-12 2013 Laura Ingalls Wilder Award Rosa’s mother is singing again, for the first time since Papa died in an accident in the mills. But instead of filling their cramped tenement apartment with Italian lullabies, Mamma is out on the streets singing union songs, and Rosa is terrified that her mother and older sister, Anna, are endangering their lives by marching against the corrupt mill owners. After all, didn’t Miss Finch tell the class that the strikers are nothing but rabble-rousers—an uneducated, violent mob? Suppose Mamma and Anna are jailed or, worse, killed? What will happen to Rosa and little Ricci? When Rosa is sent to Vermont with other children to live with strangers until the strike is over, she fears she will never see her family again. Then, on the train, a boy begs her to pretend that he is her brother. Alone and far from home, she agrees to protect him . . . even though she suspects that he is hiding some terrible secret. From a beloved, award-winning author, here is a moving story based on real events surrounding an infamous 1912 strike.

Vintage Snowmobiles-Jon Bertolino 2007-08-01 The Golden Age of snowmobile manufacturing was from 1968-1976 with a gradual slow down leading to 1982. During this time literally hundreds of snowmobile manufacturers sprung up and then disappeared. This book is a look at all the most interesting, rare, or collectible snowmobiles from that time period. The big names like Arctic Cat, Polaris, Ski-Doo, Yamaha, John Deere, Scorpion, Snow-Jet, Mercury, Rupp, Moto-Ski, to the many small-company brands like Allied, Boa Ski, Chaparral, Evinrude, Harley Davidson, Johnson, Polaron, Sears, Skiroule, Sno Prince, Viking, and even includes a chapter of collectible racing snowmobiles in the hobby, like the 1977 Arctic Cat Z that

turned Arctic Cats racing program around, and treasures like a 1973 Chaparral grass drag sled or a 1974 Roll-O-Flex called The Wild One. This book would be a benefit to anyone interested in sleds from this time period or looking to buy a more collectible sled from this era.

Test Your Bible Knowledge-Wilson Casey 2018-07-03 People are passionate when it comes to the Lord’s word, as the Holy Bible has remained in the top-most rank of bestselling books of all time. *Test Your Bible Knowledge* is a fun, informative, and entertaining way to see how well you know the Good Book. Trivia expert and author Wilson Casey has compiled 1,206 fascinating questions about the people, history, stories, and facts from the Bible. Each page is a separate quiz with six enlightening and fresh questions with multiple-choice answers. In addition, every correct answer includes references to the relevant chapter and verse in scripture for further study and clarification. It’s the perfect companion for the multitudes wanting to test their biblical knowledge (and keep score if desired). The quizzes cover the entire scope of the Holy Bible, exclusively based on the beloved King James Version. Readers may play as many of the quizzes as desired per sitting, and can skip around or complete them in order. And for easy lookup and reference, there’s a thorough index at the book’s end. Whatever your age, *Test Your Bible Knowledge* guarantees hours of enlightening fun.

Design on the Land-Norman T. Newton 1971 Focusing on the past century, the author traces the historical development of landscape architecture by analyzing specific outstanding works

Keep Chickens!-Barbara Kilarski 2015-02-27 No matter how small your lot is, you can keep chickens and enjoy fresh eggs every morning. Barbara Kilarski shares her passion for poultry as she fills this guide with tips and techniques for successfully raising chickens in small spaces. Spotlighting the self-sufficient pleasures of tending your own flock, Kilarski offers detailed information on everything from choosing breeds that thrive in tight quarters and building coops to providing medical care for sick animals. You’ll have fun as you keep happy and productive chickens.

The Longing in Me-Sheila Walsh 2016-04-05 Do your desires have you going around in circles? You may be looking for fulfillment in all the wrong places. You vowed you’d never repeat the same mistakes—yet you find yourself right where you started. What is it that keeps drawing you back into the same old traps? The fact is, your longings are built from the blueprint of your needs: for protection, for love, for God. And those needs aren’t going anywhere. Sheila speaks candidly about the trials in her life, including the heartache of her first marriage, and intertwines her story with the biblical saga of King David. As both Sheila’s and David’s stories make clear, some cravings are misguided, but they all stem from the same hunger—and they will haunt you until that hunger gets satisfied properly. If you keep reaching out to the wrong people at the wrong times in your own life, *The Longing in Me* will help you understand that your cravings are not the problem. It’s where they lead you that makes all the difference.

The Illustrated Guide to Holistic Care for Horses- 2009

Longfellow's Evangeline-Henry Wadsworth Longfellow 1884

Around Great Barrington-Gary Leveille 2011 Long before cell phones, Facebook, and e-mail, the penny postcard was an inexpensive, yet effective way to send brief thoughts and interesting images to friends and family. Today these vintage “snail-mail snapshots” are considered historic treasures, offering insight into our remarkable past. Startling changes have occurred in South Berkshire since the first picture postcards were mailed at the dawn of the 20th century. In *Around Great Barrington*, rarely seen views of Great Barrington, Housatonic, Van Deusenville, and nearby villages provide a fascinating portal into our past. Residents and visitors will find amazing sights and plenty of surprises inside this book.

Step Up and Lead-Frank Viscuso 2013 In his new book *Step Up and Lead*, Frank Viscuso—author, speaker, and career deputy chief—shares the secrets of effective fire service leadership, introduces the traits and skills essential for successful fire service leaders, and discusses the importance of customer service. Designed to help you reach the top of your profession, this new book is considered must-read material for anyone who is ready to step up and lead!

Cattle Behaviour and Welfare-Clive Phillips 2008-04-15 Cattle are one of our major domesticated animals, a higher mammal with complex mental and physical needs. The benefit of a knowledge of cattle behaviour means veterinarians and stockpeople can recognise abnormal behaviour signs for disease diagnosis and indication of an inadequate environment. This book replaces the book *Cattle Behaviour*, written by the same author and published by Farming Press in 1993. The text has been revised and updated and four new chapters on cattle welfare have been added. The main interest of many reading a book on behaviour is its relation to the welfare of the species, so the combination of welfare and behaviour is a logical one.

Something to Declare-Julia Alvarez 1998-08-01 "Julia Alvarez has suitcases full of history (public and private), trunks full of insights into what it means to be a Latina in the United States, bags full of literary wisdom." —Los Angeles Times From the internationally acclaimed author of the bestselling novels *In the Time of the Butterflies* and *How the García Girls Lost Their Accents* comes a rich and revealing work of nonfiction capturing the life and mind of an artist as she knits together the dual themes of coming to America and becoming a writer. The twenty-four confessional, evocative essays that make up *Something to Declare* are divided into two parts. "Customs" includes Alvarez's memories of her family's life in the Dominican Republic, fleeing from Trujillo's dictatorship, and arriving in

America when she was ten years old. She examines the effects of exile--surviving the shock of New York City life; yearning to fit in; training her tongue (and her mind) to speak English; and watching the Miss America pageant for clues about American-style beauty. The second half, "Declarations," celebrates her passion for words and the writing life. She lets us watch as she struggles with her art--searching for a subject for her next novel, confronting her characters, facing her family's anger when she invades their privacy, reflecting on the writers who influenced her, and continually honing her craft. The winner of the National Medal of Arts for her extraordinary storytelling, Julia Alvarez here offers essays that are an inspiring gift to readers and writers everywhere. "This beautiful collection of essays . . . traces a process of personal reconciliation with insight, humor, and quiet power." —San Francisco Examiner and Chronicle "Reading Julia Alvarez's new collection of essays is like curling up with a glass of wine in one hand and the phone in the other, listening to a bighearted, wisecracking friend share the hard-earned wisdom about family, identity, and the art of writing." —People

The Faithful and the Bold-Norman C. Wittwer 1984
