Fantastic Felines-Laurel Burch 1997-04-01
Laurel Burch knows her cats. Painted in glowing, jewel-like colors against vibrant, wildly patterned backgrounds, dozens of fantastic felines pounce, play, and pose in a captivating compendium of cat portraits. With annual sales of a half-million dollars for her cat-related lines alone, Burch has turned her exuberant felines into a booming business. Now, the same images that appear on her stupendously successful jewelry, apparel, and giftware are available in *Fantastic Felines*, her first and only book. Gloriously printed in brilliant colors, *Fantastic Felines* offers Laurel Burch's worldwide fans the complete collection of the cat images that have become her signature. This gorgeous, color-drenched book is a necessity for Laurel Burch collectors as well as a delightful gift for every cat lover.

Pucker Free Seams-Prabir Jana & Y P Garg 2020-06-01 Pucker or Puckering is the most used (abused?) term in the garment manufacturing industry. Pick up any quality controllers report, and the first thing that will strike your eye will be "...Puckering in armhole, ...Puckering in neckline binding, ...control Puckering in bottom hem..." the list is endless. Buying office quality controllers are as enamoured of this term as much as manufacturers abhor it. What is it that makes it so distasteful? Why does it occur? How can it be controlled? While there are numerous leaflets, documents and articles available on pucker, we have found that the majority of them lay great stress on "inherent pucker" (only material parameters). In this booklet have tried to include process parameters as well as sewing of lightweight fabrics. All said and done, the problem is so intricately interdependent that exhaustive compilation is well nigh impossible. We are sure this booklet will help manufacturers to understand the rationale behind this publication and we will consider our effort successful if enthusiastic readers regularly

inform us about newer methods to tackle the problem.

Paradise in Plain Sight-Karen Maezen Miller 2014 "Reflections on finding peace, beauty, and fulfillment in everyday life, illustrated by the author's experiences with tending her new home's venerable but neglected Japanese garden. Author is a Zen Buddhist priest and meditation teacher"--

Mastering the Art of McTavishing-Karen C. McTavish 2005 Quilters learn how to recreate the motion and texture of the author's popular namesake stitch as they follow along with this fully illustrated handbook and DVD. Inspired by

the art nouveau movement's Alfonse Mucha, this freehand, background filler quilting design has electrified the quilting community. Dubbed "McTavishing," after its creator, it has become the most popular new design concept in quilting today. As shown in the 25 illustrated projects, McTavishing may be added to any quilt or garment, from wholecloth to contemporary art quilts, and done by hand, domestic machine, or longarm technique. The book's seven how-to chapters demonstrate the uses of the McTavishing stitch—as an addition to an open quilt block, in a border, to highlight complex applique, custom tailor a favorite garment, or as part of a larger overall design—while the accompanying DVD provides lessons from the author. Accompanied by interviews with accomplished hand and domestic machine quilters, this guide offers readers an unparalleled view of the exciting new quilting process.

Kaffe Fassett's Quilts in Burano-Kaffe Fassett 2020-08-18 Kaffe Fassett uses the colorful Venetian island of Burano to form the backdrop of another stunning collection of new quilt designs from the Kaffe Fassett Studio. In this 22nd installment of Kaffe Fassett's ever-popular series of patchwork and quilting books, the quilts have been photographed on location in Burano, a tiny island in Italy's Venetian archipelago, famous for its lace making but also for its brilliantly painted houses in a myriad jewel colors. The colorful house walls, sometimes distressed and occasionally decorated with murals, form the backdrop, along with the canals, bridges, and boats of this special Venetian island, to another wonderful selection of Kaffe's new quilt designs. The collection of 19 quilts features both new fabric designs from the Kaffe Collective and some of his Classics. Bali Brocade makes a fantastic background to Kaffe's sumptuous Shimmer Star quilt with its ripples of pattern in contrasting prints. His two versions of a very simple quilt, comes in two very different colorways. Hot Steps is a riot of color, whereas by contrast its sister quilt, Cool Steps, in dusty blues, greens, and greys has a dreamy quality. Liza Prior Lucy's rich and dark Turkish Coffee quilt, with its hint of Eastern promise, fussy cuts Kaffe's new Turkish Delight fabric to brilliant effect. Kaffe Fassett's Quilts in Burano provides all the instructional text, diagrams, and templates to make the quilts, plus a section on basic patchwork techniques for less experienced quilters.
