Heart of Thorns-Bree Barton
2018-07-31 Inventive and heart-racing, this fierce feminist teen fantasy from debut author Bree Barton explores a dark kingdom in which only women can possess magic—and every woman is suspected of having it. Fans of Leigh Bardugo and Laini Taylor won't want to miss this gorgeously written, bold novel, the first in the Heart of Thorns trilogy. In the ancient river kingdom, where touch is a battlefield and bodies the instruments of war, Mia Rose has pledged her life to hunting Gwyrach: women who can manipulate flesh, bones, breath, and blood. The same women who killed her mother without a single scratch. But when Mia's father announces an alliance with the royal family, she is forced to trade in her knives and trousers for a sumptuous silk gown. Determined to forge her own path forward,

Mia plots a daring escape, but could never predict the greatest betrayal of all: her own body. Mia possesses the very magic she has sworn to destroy. Now, as she untangles the secrets of her past, Mia must learn to trust her heart...even if it kills her.

Alphabets & Other Signs-
Julian Rothenstein 1993 A source of idiosyncratic clip art for graphic artists and designers and a celebration of the printed word in all its diversity. Over 130 unusual and rare alphabets, monograms, numerals, ampersands, ornaments, arrows, and more accompany a fascinating essay on the philosophy of alphabet design.

How Not to Run a B&B-

Bobby Hutchinson 2014-03-28
Bobby Hutchinson, a best selling Harlequin writer decides to open a B&B in Vancouver, B.C. when sales of romance novels falter. Despite never having stayed in a B&B and knowing absolutely nothing about running one, she jumps right in. Strange people from nearby and halfway around the world arrive at her home with their stories and struggles, not to mention their baggage, psychological and otherwise. Each chapter is peppered with a humor, a little tragedy and many life lessons (but mostly humor.) There are sure fire breakfast recipes guaranteed to turn out even if the cook is half asleep. In explaining why she opened a B&B, she says, "I was far too old for prostitution, the only other job I could think of which might net enough to pay the mortgage."
