Braxton Bragg-Earl J. Hess 2016-09-02 As a leading Confederate general, Braxton Bragg (1817–1876) earned a reputation for incompetence, for wantonly shooting his own soldiers, and for losing battles. This public image established him not only as a scapegoat for the South's military failures but also as the chief whipping boy of the Confederacy. The strongly negative opinions of Bragg's contemporaries have continued to color assessments of the general's military career and character by generations of historians. Rather than take these assessments at face value, Earl J. Hess's biography offers a much more balanced account of Bragg, the man and the officer. While Hess analyzes Bragg's many campaigns and battles, he also emphasizes how his contemporaries viewed his successes and failures and how these reactions affected Bragg both personally and professionally. The testimony and opinions of other members of the Confederate army--including Bragg's superiors, his fellow generals, and his subordinates--reveal how the general became a symbol for the larger military failures that undid the Confederacy. By connecting the general's personal life to his military career, Hess positions Bragg as a figure saddled with unwarranted infamy and humanizes him as a flawed yet misunderstood figure in Civil War history.

How to Repair Your Scooter-James Manning Michels 2012-07-14 DIVGas prices go up and down, but mostly up, and that trend is likely to continue for the foreseeable future. Because of this, people are increasingly turning to motor scooters. In addition to being entertaining to ride and providing extreme mobility, scooters often travel up to 100 miles for each gallon of gasoline burned. How to Repair Your Scooter is divided into chapters according to the scooter's various mechanical systems. For example, brakes, suspension, intake, exhaust, etc. each have their own chapter. Each chapter begins with a simple explanation of how the subsystem works and what its strengths and weaknesses are. The chapter then takes the reader through a series of common maintenance and repair projects, each illustrated with step-by-step sequential photography with captions. Content covers two- and four-stroke scooters and is relevant for machines from all markets. /div

Once an Arafat Man-Tass Saada 2008-10-01 At age 17, Palestinian Tass Saada ran away to become a PLO sniper, onetime chauffeur for Yasser Arafat, and a Muslim immersed in anti-Israeli activity. As a man he moved to America, started a family, and eventually became a Christian. Then he risked retribution as he returned home to share his faith with his family and former boss. Once an Arafat Man is a story of the ultimate triumph of love over hatred, of reconciliation over divisions. It’s a story that can inspire us all to overcome the conflicts in our own lives.

Sunflowers and Snipers-Sally Becker 2012-08-06 Credited with saving 300 lives through evacuation and many more through medical aid during her time in the Balkans, Sally Becker's story is both uplifting and a warning of the true nature and price of warIn May 1993, Sally Becker went to Bosnia to help victims of war, delivering medical aid and evacuating wounded children from the besieged city of Mostar. She was dubbed the "Angel of Mostar," and was hailed for her efforts to save the children from all sides. When Milosevic ordered his troops into Kosovo her missions continued, this time on foot across the mountains, to bring sick and injured children and their mothers to safety. While doing so she was captured by Serb paramilitaries and sent to prison, but neither this nor being shot by masked gunmen could make her abandon her task. This book reveals not only the suffering of the ordinary people and the bravery of those who helped them, but also the systematic inertia and ineptitude of government institutions and the often languid reactions of the United Nations. When the UN insisted they could have done it without Becker, her response was "Well why the bloody hell didn't they?"

Surfing Treasure's Wake-Doug Hanau 2012-10-01 In 1715, the Spanish galleon San Miguel is caught in a hurricane. Isabella Rojas and her six children desperately pray to God as black water rushes across the wooden decks. She binds each child to a knotted rope before being swept overboard. Each child drowns, their weight finally pulling Isabella beneath the stormy seas where they rest, waiting to be released from their watery graves. Over 200 years later, sixteen-year-old Marc encounters the ghost of Isabella while surfing. Along with Sponge Bob, a retired treasure hunter, they try to solve Isabella's legend. Then a tragic loss forces Marc to face his reality, as he discovers the secret treasure that he's been searching for all along.

Understanding the Golf Swing- 2018-01-16 This modern classic of golf instruction by renowned teacher Manuel de la Torre (the 1986 PGA Teacher of the Year and the #11 teacher in America as ranked by the editors of Golf Digest in 2007) presents a simpler approach to the golf swing based on Ernest Jones’s principles. Understanding the Golf Swing includes information on the philosophy of the golf swing (with emphasis on the development of a true swinging motion), the most thorough analysis of ball flights available, and analysis of the principles of special shot play (including sand play, pitching, chipping, putting, and playing unusual shots) and the mental side of golf and effective course management. The final chapter offers an organized approach to understanding golf courses and playing conditions. The result is a blend of philosophy and practical advice found in few golf instructional books.

Night School: Fracture-C. J. Daugherty 2013-08-15 Cimmeria has been more than a school for Allie, it's been a safe haven. But no longer. A nefarious group - one that is tied up with Allie's family in ways she could barely imagine - is trying to destroy everything Cimmeria stands for. Even worse, it's clear that somebody they eat with, sleep with, train with is betraying them. There's a spy in Night School. As the paranoia grows and the fights begin, it's not an attack from outside they need to worry about . . .

Modern Faith and Thought-Helmut Thielicke 1990-11 Thielicke here studies the themes of doubt and appropriation in modern Protestant thought. A leading advocate of dialectical theology, Thielicke examines the work of the great German Protestant religious philosophers from Lessing and Schliermacher through Barth and Tillich, probing these theologians' understanding of their context and how this tradition can impact our own engagement with our times. Clear, finely nuanced, historically and philosophically mature, this is a vital reflection on the history of theology and in systematic theology.

experienced linguist and teacher, this book contains: · an evaluation of current approaches to the teaching of grammar and linguistic form · a revised pedagogy based on principles from cognitive science and cognitive linguistics · a comprehensive set of activities and resources to support the teaching of key linguistic topics and text types · a detailed set of suggestions for further reading and a guide to available resources Arguing for the use of drama, role play, gesture, energy dynamics, and visual and spatial representations as ways of enabling students to understand grammatical features, this book explores and analyses language use in a range of text types, genres and contexts. This innovative approach to teaching aspects of grammar is aimed at English teachers, student teachers and teacher trainers.

Taming an Angel-Kathleen Lash 2010-08 As a final installment in a military career wrought with horrid events, Jess is sent to rescue a Braugh warrior and his men from prison. All she wants is to be safely on her home planet to forget her throwback status and find a normal existence. The warrior's intimidating size and raw strength contrast with his tender nature, skillful lips and gentle touch, awakening sexual urges she thought had been stripped away years prior. Shane knows the piercings adorning Jess' body once created pain and taught her to suppress arousal and desire. And he knows what's needed to take her beyond the torture. But providing a sexual release may prove easier than convincing her something stronger lies between them. All he needs to claim his angel, in every way, is her consent.

BMW Boxer Twins-Ian Falloon 2004 For nearly 80 years, shaft-drive boxer twins have traditionally formed the backbone of the BMW motorcycle line-up. For many enthusiasts of the Bavarian marque the classic BMW twin was the R90S of 1973-76. Over the decades, successive generations of durable machines - including the R100S, fully-faired R100RS, four-cylinder K-series, high-performance R1100RS and an entire family of touring and sporting models ranging from 850 to 1200cc - would ensure the BMW boxer twins a place in the Haynes "Great Bikes" series. This book covers: historical context, racing, the wartime R75 and R69S; the "75" series which enabled BMW to compete with the high-performance Japanese machines; the R90S, the "76" and Superbike performance; the R100RS, the "77" and the touring R100RT; smaller twins, smaller potential; the R89G/S, including a Paris-Dakar version; rationalization of the boxer range, and the new twins that included four-valve heads and electronic engine management; and technical specifications from 1969 to 2003.

Motorcycle Maintenance Techbook-Editors of Haynes Manuals 2015-11-01 Motorcycle maintenance made easy: -- Aimed at the DIY mechanic and students

embarking on courses in motorcycle engineering -- Service tasks are described in detail and illustrated with over 900 color photographs --Information on how to build up a toolkit and keep service records --Tools, testing and measuring equipment, oils and workshop equipment --Using a service schedule and keeping records --Engine: Oil and filter, valve clearances, compression test, air and fuel filters, carburetor balance, coolant, spark plugs, clutch and exhaust system --Chassis: Chain, sprockets, tires, disc brakes, drum brakes, wheel bearings, front forks, steering head bearings, rear shock, handlebars, swinging arm bearings, cables, footrests, stands and bodywork. --Electrics: batter, fuses, bulbs, horn, switches and wiring --Accessories: twin horns, fork gaiters, top box and drive chain oiler

Along Came a Demon-Linda Welch 2013-01-11 I'm told the dead are all around us. I wouldn't know about that, I see only the violently slain. They can be victims of hit-and-run, innocents caught in a cross-fire, the murdered. They whisper to me and they never, ever, forget the face of their killer. I've learned to live with my uncanny ability, in fact I've made a career out of it.The departed aren't the only supernaturals I see. No, they're not vampires or werewolves or fae - those things don't exist. We live side by side with what some call the Otherworldly. That's too much of a mouthful for me, I call them demons. If you saw them as I do, you'd know why.Right now I'm trying to track down a missing six year-old boy whose mother was murdered. Or maybe she wasn't. To further complicate the case, Clarion PD gave me a partner I'd rather shoot than work with.I can't tell them he's a demon.They'd think I'm crazy.I'm Tiff Banks. Welcome to my world.
