Guide du Routard Australie Côte Est 2017/18-Collectif 2017-05-17 Cet ebook est une version numérique du guide papier sans interactivité additionnelle. Le pouvoir attractif de l'Australie est évident. Des terres arides à l'emblématique Ayers Rock, cet immense « rocher » émergeant au milieu de rien, des îlots paradisiaques sur la Grande Barrière de corail... Les animaux cocasses - kangourous, koalas, crocodiles, araignées Redback ... -, côtoient la plus vieille civilisation du monde, celle du peuple aborigène. Pour les accros de culture, l'Opéra de Sydney s'impose, avant de découvrir de fabuleux musées. Sans oublier l'ambiance des cafés de Melbourne, véritable petit San Francisco locale... Vous trouverez dans le routard Australie : une première partie haute en couleur avec des cartes et des photos, pour repérer plus facilement le pays dans son ensemble et nos coups de coeur ; des adresses souvent introuvables ailleurs ; des visites culturelles originales en dehors des sentiers battus ; des infos remises à jour chaque année puis des cartes et plans détaillés. Merci à tous les Routards qui partagent nos convictions : Liberté et indépendance d'esprit ; découverte et partage ; sincérité, tolérance et respect des autres !

Le marketing du livre- Suna Desai 2006 Le marketing de l'édition reste aujourd'hui mal connu et ses spécificités sont telles qu'elles ne trouvent pas leur place dans les ouvrages généraux. Les auteurs de cet ouvrage proposent ici une approche pratique du marketing éditorial dans son versant " Etudes et stratégies ". Les méthodes, les techniques et les ressources que le marketing de l'édition peut mobiliser sont présentées ici en prenant appui sur un ensemble de cas concrets empruntés à divers types de productions, et avec le double souci de montrer ce que l'on peut en attendre et d'en poser les limites. Quelle que soit la nature de la production éditoriale, et loin d'être réservée aux spécialistes et aux grandes maisons d'édition, la réflexion proposée ici pourra accompagner chaque éditeur dans ses choix ; il y trouvera des outils d'analyse applicables aux situations auxquelles il est confronté, matière à affiner ses pratiques, et peut être aussi le moyen d'éviter certaines erreurs.

The Compleat Ankh-Morpork- Terry Pratchett 2012 Greetings, adventurer! We lay before you this most comprehensive gazetteer encompassing all the streets of Ankh-Morpork, as well as information on its principal businesses, hotels, taverns, inns, and places of entertainment and refreshment, enhanced by the all-new and compleat map of our great city state. Our city has grown well beyond its ancient walls, but the remit of this commission from the honourable Guild of Merchants was to 'map the city', the pulsing organ of commerce and culture, the heart as opposed to the body, and this we have done. In spades. We ask that when you pore over this glorious work you spare some thought for the humble cartographers and surveyors who made journeys into the darker corners of our metropolis - no less dangerous than the wilds of Skund or Bhangbhangduc. To some the only memorial is the map you now possess. Others, in their quest for knowledge, paid the highest price that scholarship demands, which is to say, a day off in lieu. And so we dedicate this map and these accompanying words to the officers, councilors and members of the Merchants' Guild and to all who will find in its pages paths yet to tread and places yet to explore within the magnificentbwonder that is the city of Ankh-Morpork.

The White Darkness-David Grann 2018-10-30 By the #1 New York Times bestselling author of Killers of the Flower Moon, a powerful true story of adventure and obsession in the Antarctic, lavishly illustrated with color photographs Henry Worsley was a devoted husband and father and a decorated British special forces officer who believed in honor and sacrifice. He was also a man obsessed. He spent his life idolizing Ernest Shackleton, the nineteenth-century polar explorer, who tried to become the first person to reach the South Pole, and later sought to cross Antarctica on foot. Shackleton never completed his journeys, but he repeatedly rescued his men from certain death, and emerged as one of the greatest leaders in history. Worsley felt an overpowering connection to those expeditions. He was related to one of Shackleton's men, Frank Worsley, and spent a fortune collecting artifacts from their epic treks across the continent. He modeled his military command on Shackleton's legendary skills and was determined to measure his own powers of endurance against them. He would succeed where Shackleton had failed, in the most brutal landscape in the world. In 2008, Worsley set out across Antarctica with two other descendants of Shackleton's crew, battling the freezing, desolate landscape, life-threatening physical exhaustion, and hidden crevasses. Yet when he returned home he felt compelled to go back. On November 13, 2015, at age 55, Worsley bid farewell to his family and embarked on his most perilous quest: to walk across Antarctica alone. David Grann tells Worsley's remarkable story with the intensity and power that have led him to be called "simply the best narrative nonfiction writer working today." Illustrated with more than fifty stunning photographs from Worsley's and Shackleton's journeys, *The White Darkness* is both a gorgeous keepsake volume and a spellbinding story of courage, love, and a man pushing himself to the extremes of human capacity.

Australian Wildlife-Stella Martin 2020-03-06 Australian Wildlife Guide - portable and easy-to-use, detailing habitats, mammals, birds, reptiles, amphibians, invertebrates, the marine environment and where to go. Utu-Caryl Férey 2011-11-22 A New Zealand detective searches the Maori underworld for his friend's killer in this Gran Prix Sang d'Encre-winning novel by the author of Zulu. Former New Zealand detective Paul Osborne has washed up in Sydney, where he has a bad case of sunstroke and an even worse reputation at the local bars. But now his former boss from the Auckland City Police Department wants him back on the job. Osborne's only real friend on the force, Jack Fitzgerald, has committed suicide in the middle of an important investigation. Despite his current state, Osborne is the only one qualified to take over the case. Though has no interest in playing policeman, he returns to Auckland all the same—because he's sure Fitzgerald's death was no suicide. An expert in Maori culture, Osborne retraces his dead friend's steps into a world of occult mystery, tribal discontent, billion-dollar backroom deals, and political corruption. In the Maori language, "utu" means revenge. In this gripping crime novel, the desire for revenge runs deep—and nobody, innocent and guilty alike, will be safe until it has been sated.

300 Reasons to Love New York-Marie-Joelle Parent 2016-04-05 Forget conventional travel guides and discover the "real" New York! Whether you are already a fan or on your first trip to the Big Apple, this book will (re)kindle your love for the city that never sleeps. It will introduce you to a New York that is as unique and diverse as its wide array of neighbourhoods and local treasures. Journalist Marie-Joëlle Parent shares her best New York finds: where to grab a quick bite to eat or sip a Cosmopolitan; how to find a reasonably-priced hotel room; the best spots to watch the sunset and get a shot of the Brooklyn Bridge; the best clothing stores, and where to run into the city's most colourful characters. An invitation to experience the city in a distinctive and authentic way--far from the throngs of tourists--this guide shows you how to live like a real New Yorker.

Lonely Planet Italy 2018-Travel Services 2018-07-14 Italia Travel Guide 2018 Venice, located in the northeastern part of Italy, has long been known for being the Veneto region's capital.
